

Seesaw

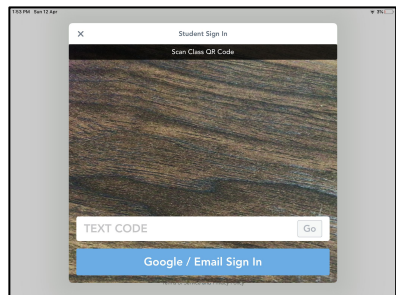

How do students log into Seesaw?

1. Download the class app

2. Tap on I'm a student

3. Scan your class QR code; enter your class text code or use Google/email sign in.

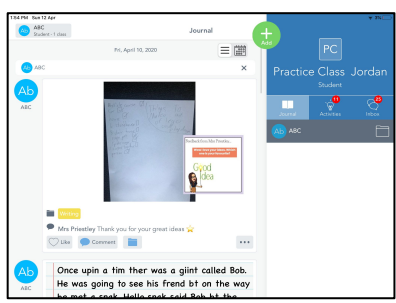

ABC's Home Learning Code

- Get to <https://www.seesaw.me> on a computer. Or visit the Seesaw Class App on an iOS or Android device.
- Choose "I'm a Student".
- Scan this code using Seesaw's built-in QR code scanner. Or type in these letters to access your Seesaw account: **MOSEI IQOQ Y88CA**

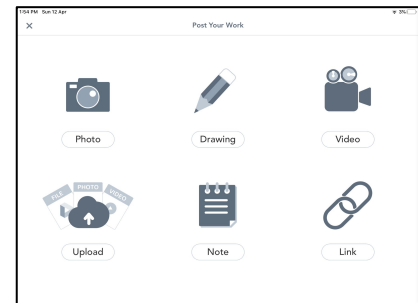

Ask your teacher for a new code after July 11, 2020.
And remember, this code is like a password. Keep it safe!
Ver los instrucciones en español en: <https://www.seesaw.me/espanol/>

4. Find and scan your home learning QR code or class code.

5. It will bring up your home journal screen. Click on the green +

6. Tap on the tool you want to use and add your work.

SEESAW UPLOAD CHEAT SHEET

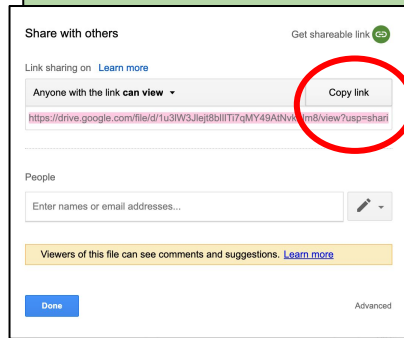

Need some more help with uploading longer videos?

Film your video either screen recording or using an app.

Upload it to your Google Drive.

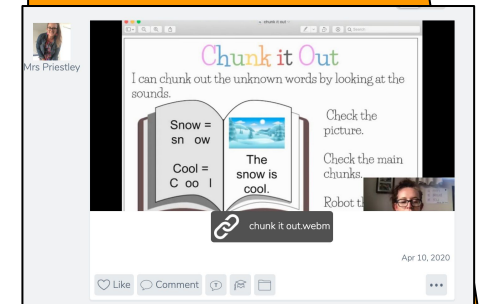

Great if your videos are longer than 5 minutes or large files!

Find it and make it viewable. Then click on 'copy link'.

Add it on Seesaw as a 'link'. Add a caption to it if you want to

Students can then access your video safely from your Google drive.

SEESAW BLOGS CHEAT SHEET

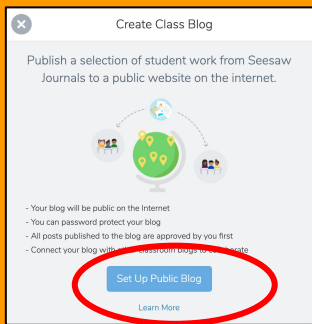

Need some more help with setting up Seesaw blogs?

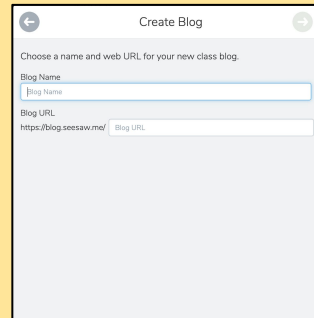

Click on the spanner to bring up your settings.

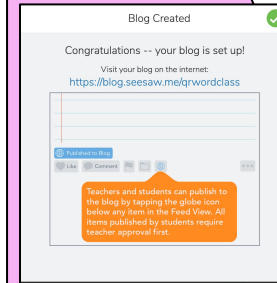

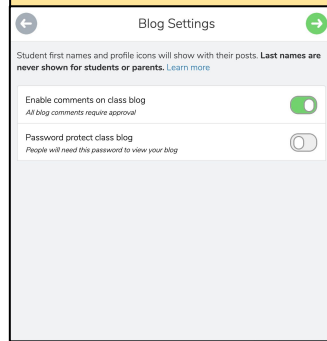

Find the blog section. Click enable blog.

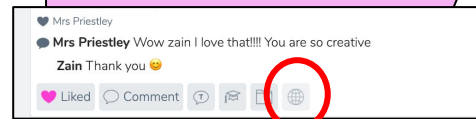

Give your blog a name and URL.

Customise your settings.

Find your posts you want to share. Click the blog icon and publish to blog.

Items will then be published to blog.

The item will be on your blog.
