

Welcome to Little Explorers!

We are so pleased with how well all the children have settled in to their first week at Little Explorers. They have been super stars!

PE

The children will be taking part in PE activities on Tuesday mornings. If possible please provide your child with a pair of black pumps for this. These can be left in their box in the classroom.

Teachers

Mrs Kamel will lead the class each day. Mrs Mellor will be supporting her, with the exception of Wednesdays when Mrs Gielty will be supporting in the classroom.

Wellies

We will be visiting our Forest School area and taking part in outdoor activities in all weathers. Please provide your child with a pair of wellies which can be kept in school.

Outdoor Play

We love to spend time outdoors each day. In the hot weather please try to send your child with a hat and either put sun cream on them before school or send some in with them. As the weather gets colder please ensure they have warm coats. If they have all-in-one rain suits these would also be useful on wet days.

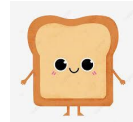

Water Bottles

Please send a water bottle to school with your child each day.

Snacks

Children will be provided with some toast each morning at snack time. In the afternoon there will be a selection of fruit available for them.

Encouraging Independence

We would like to encourage the children to develop their independence, for example sorting their belongings in the mornings and being able to put their own coat on. They will also have little monitors jobs such as giving out the toast or water bottles during the day.

Please try to name your child's belongings as this will also help them to identify their own belongings and be more independent.

Seesaw

All children will soon bring home details of how to access 'Seesaw'. We will use this to share photographs of things that your child does during their time in preschool.

We are looking forward to an exciting year ahead, and to seeing all the children learn and grow!

Mrs Kamel, Mrs Mellor and Mrs Gielty
